

A JOB FOR EVERYONE

Are you excited and interested but not quite sure what you want to do? So.... how can you help? In order to accomplish the Women Build mission, we need volunteers for construction and to provide lunches. Monetary donations to Aiken Women Build are always welcome!

If you would like to provide lunch for volunteers on one of the work days, please text/call or email Tommie Culligan at 803-645-8418 or tommieculligan@gmail.com.

If the Women Build project is not for you – or you want to be involved in more of the Habitat mission, there are numerous ways you can help.

ReStore – The Habitat ReStore sells donated construction and home items at a discounted rate. There are daily volunteer opportunities assisting customers; helping to organize the store; stocking shelves; and driving the truck picking up donations, then sorting and cleaning donations. Morning and afternoon shifts are available when the ReStore is open, Tuesday through Saturday.

Donate items to the Restore Donations of furniture, building materials, cabinets, doors or windows, working appliances, household goods, and vehicles are always welcome. Donations are tax deductible and can be dropped off at the ReStore, or you can schedule an appointment to have items picked up at your location.

Committees – Volunteers staff our committees. These committees include Family Services, Volunteer Relations, Site Selection, Women Build and ReStore.

Engage your community: If you are involved with a church, club, company or civic organization, encourage them to become a sponsor, work on a build, get involved in a fundraising project, or provide meals to construction workers. Money is always welcome and needed to further the Habitat mission.
